Order by 2 p.m. for single items that have a Freight at the checkout (e.g. Armorgard storage, heavy generators, heavy table saws). Please allow an extra day for Scottish Highlands postcodes. Freight items cannot be delivered off the coast. NEW Cheaper Delivery - 2.99 x Untracked 3-5 Business Day Delivery (Small Packages). We can now offer cost-effective delivery for certain small packages up to 2kg for orders under 99 usd. This service is provided by Royal Mail on a 3-5 business day service (if in stock). It applies to accessories from Bosch, Festool, DeWalt, Trend, Fein and Makita. - Our deliveries are very easy to track and you get a handy 1-hour delivery window so you know when to expect your items. You will receive a tracking number with your order sent email. - Your VAT invoice is always in the box with your goods. - Your goods are always packed securely when you leave our shop. We strive to ensure that your goods reach you in first class condition. - Our main courier is DPD. We use DPD for the majority of our deliveries. APC and TNT take over other specific delivery methods for us. In bad weather conditions, couriers may experience delays that are not in our control, but we will help you in every possible way to track progress. - Delivery to construction sites is possible, but at your own risk. Our service may be delivered to an address, but we cannot guarantee delivery to a specific person or location at the address. Detailed courier instructions/contact number are recommended to be handed over to the courier for best results.
